Page 72. Section 14. (Page 75 section 15. B.)

C. Qualification: Based on an average of three (3) best times from two (2) different arenas during the current season. For times ridden under a day number to be included in the 3 time year end average, written notifications must be sent to the State Times Recorder and include the date, show sponsor, class, and day number by July 15 of current year. We will invite 12 different riders, regardless of the number of horses, in the Junior and Intermediate classes and 60 different horse and rider combinations for the Senior age group which will be broken into 4 different groups. The same rider can appear multiple times on multiple horses in an event. There will be one (1) run at State Finals Championship Show by each horse and rider combination. In all events the rider or team with the slowest average will ride first (example: 12, 11, 10, 9, 8, etc.). Riders do not have to show PSHA card prior to riding at State Finals. Two man and four man teams, a rider may appear with a different horse/rider combination, but no horse may compete against itself.
