A. A committee will be appointed at the PSHA Annual Meeting to set up and coordinate the annual State Finals Championship Show for two (2) years.

B. Date: Open, no other shows will be approved for the same weekend as State Finals Championship Show.

C. Qualification: Based on an average of three (3) best times from two (2) different arenas during the current season. For times ridden under a day number to be included in the 3 time year end average, written notifications must be sent to the State Times Recorder and include the date, show sponsor, class, and day number by July 15 of

current year. We will invite 15 different riders, regardless of the number of horses, in the Junior and Intermediate classes and 60 different horse and rider combinations for the Senior age group which will be broken into 4 different groups. The same rider can appear multiple times on multiple horses in an event. There will be one (1) run at State Finals Championship Show by each horse and rider combination. In all events the rider or team with the slowest average will ride first (example: 12, 11, 10, 9, 8, etc.). Riders do not have to show PSHA card prior to riding at State Finals. Two man and four man teams, a rider may appear with a different horse/rider combination, but no horse may compete against itself.

D. Invitations to State Finals:

- Top 12 Two-Man Team Averages
- Top 15 Junior Individual Averages
- Top 15 Intermediate Individual Averages

- Group II: Averages ranked 16 through 30
- Group III: Averages ranked 31 through 45
- Group IV: Averages ranked 46 through 60

E. No additional invitations for ties with the exception of last place. In the event that a horse, rider or team qualifies with two (2) or more averages, the next qualified horse, rider or team will be invited. In the event that a class is not filled, management will take the next qualified average to fill the class. An invitation issued at

State Finals can be declined by the rider and the rider will still be allowed to compete at the Classic Show in that event. Only qualified averages to be listed in the program.

F. State Finals Championship show will be held on Friday, Saturday and Sunday. Each rider can ride multiple times in each event that they are invited in. In all events the first rider will be the fifteenth (15) place rider or the slowest average. Alternates for the Junior and Intermediate age groups will be listed in the program and will only ride if an invitation is canceled. In the Senior age groups, after the invitation acceptance deadline; the state times recorder will issue invitations to alternates to bring the horse/rider combinations in each event back to a total of 60, or as close to that total as possible, with qualified averages. In the event that there are not 60 qualified averages, the 4 Senior groups will be divided as equally as possible.

G. Invitations shall include averages as computed by the state times recorder. If an error of averages is found by the rider on invitations, with proof of arena sheets, that rider or team may ride at State Finals if proof of qualification. Riders and/or Team Captains, in the case of team events, shall correct averages if any errors and accept the invitation either in person or by telephone no later than 5:00 PM on the Saturday immediately following the email date of the invitation. Those without email will still get a mailed invitation, following the same rules as above. If the rider and/or team captain do

not receive invitation by the Monday following the first weekend, rider and/or team captain must call by 5:00 PM on Saturday to inquire. If the State Times Recorder/Designated Person(s) receives no call, rider and/or team will not be allowed to ride. The call in number and E-MAIL address for acceptance to State Finals must be printed in the July news letter and on Invitation. Interstate invitations will be accepted or declined at the same time State Finals invitations are accepted or declined. E-MAIL may be used as an alternate to call in. Either method is acceptable with the cutoff time for both being the same time on Saturday night. E-mail could be sent up until cut off time. A confirmation e-mail will be sent to those utilizing the e-mail method. There will be no riding double at Grand entry at State or Interstate Championship shows.

H. The fastest time in each group will place rider/riders as "State Champions."

For example, if the number three qualifying team in two man stake is missing a member and the number five team is missing a member as well. The able members from those teams will have the option to ride together. Combinations will be paired from the top average and downward.
